

Certifications | Internships

Geekster | Geekster Coding Bootcamp

- Completed over 300 Data Structures and Algorithms (DSA) and coding questions on the Geekster platform, showcasing proficiency in problem-solving and algorithmic thinking.
- Solved more than 100 coding questions on LeetCode, demonstrating strong coding skills and ability to tackle complex problems efficiently.
- Actively participated in numerous coding contests organised by the platforms, honing competitive programming skills and adapting to time constraints.
- Applied acquired knowledge and skills in real-world scenarios through project work, including developing projects like Expense Tracker and others, utilising Java and Spring Boot AND HTML, CSS, JS, REACT, NODE, EXPRESS, MONGODB technologies effectively.

Projects

Hospital Appointment [\[Github Link\]](#)

- Developed a Spring Boot MVC application for doctor appointments, enabling CRUD operations via APIs for doctors and patients, optimizing the appointment workflow.
- Leveraged a tech stack including Spring Boot, Postman, Swagger, Java, AWS, and Hibernate for efficient development, testing, and deployment. Integrated MySQL for data storage, conducted API testing with Postman, and deployed the system on AWS for accessibility and scalability.

Jio-Cinema-Clone [\[Deployed Link\]](#)

- Led creation of a user-friendly platform mirroring Jio Cinema, showcasing HTML and CSS expertise for seamless design and cross-device compatibility.
- Headed a collaborative team effort in coding and design, delivering an immersive user experience and demonstrating strong problem-solving skills in web development and UI/UX design.

My Trello Board [\[Github link\]](#) [\[Deployed link\]](#)

- Created a Trello-inspired project from scratch, demonstrating proficiency in HTML, CSS, and JavaScript for an interactive user experience
- Developed a responsive task board with drag-and-drop functionality.

Skills

- **Computer Language** : Java, SQL, Java Script, HTML, CSS
- **Frameworks / Libraries** : Spring boot, MySql, Hibernate, JPA, ReactJS , NodeJS , ExpressJS , MonogDB
- **Additional Courses** : Data Structure and Algorithms, OOPs, Figma
- **Tools & Technologies** : Git, VS code, intellij, Postman ,AWS-EC2

Education

Year	Degree/Examination	Institution/ Board	CGPA/Percentage
2024	MSc - CS	Vardhman Mahaveer Open University, Kota	Currently doing
2022	B. Tech	Jaipur Engineering College And Research Centre , Jaipur	7.10 CGPA
2018	12th	RBSE	70.00%

Achievements and Co-Curricular Activities

- Successfully organized JECRC Renaissance, a prominent gaming event at my college, demonstrating strong event coordination and management skills.
- Emerged as the winner in the technical quiz competition held at JECRC, showcasing extensive knowledge and expertise in technical subjects.
